

Trap Range Rules & Procedures:

Note: *The Club has purchased an expensive trap machine and a lot of work has been done to lay underground electrical cables, electrical boxes, heaters, etc. Therefore only those members who have been checked out on the safe and efficient use of the trap machine will be given total access to the trap house and field which is secured at all times with a combination lock. Regular shooting for members will take place as listed on the calendar of events for the Club.*

- All shooters must read and understand the Range Rules as posted before shooting
- Notice board must indicate shooting is being conducted
- Red flag (found in shed) must be raised
- One shooter must act as the referee and scorer at all times
- The referee is the Range Officer and as such is in charge of the shooting
- Guests are required to follow the regular guest rules of the PSC
- Guests are required to pay \$6.00 per round
- Trap opening and closing procedures will be posted in the storage shed with the score sheets
